

SVJCT's Walawalkar Hospital

*Transforming lives...
One at a time !*

**Shri Vithalrao Joshi Charities Trust
BKL Walawalkar Hospital Diagnostic
and Research Center
Dervan, India**

Konkan Region

- Increasing unemployment in the Konkan Region
 - Scarcity of resources
 - Lack of skills
 - Majority of marginal farmers and landless laborers
- Dervan village in Konkan is situated in one of the most backward regions of Maharashtra State.
- Predominant features of a neglected Indian village:
 - Deprived of development
 - Low per capita income
 - Lack of basic necessities of life like food, shelter, drinking water, education, exploitation from various quarters of the society etc.

Location - Dervan

- Distance from Bombay:300 kms
- Distance from Goa:250 kms

Aims & Objectives of SVJCT

- Provision of modern medical healthcare facilities for the purpose of building up Strong, Healthy society.
- Development of Human Resources by spread of education and improving the quality of education for Nation Building.
- Development of strong sense of patriotism and duty towards Nation amongst the citizens.
- Helping the poor, downtrodden and underprivileged for their integrated development.
- Advancement and propagation of Oriental religious philosophy and culture for the overall development of the society.
