

2nd Day of International Endourology workshop at B.K.L. Walawalkar Rural medical college and Hospital

On 2nd day of International Endo-urology workshop, lectures on different Urology topics were conducted in morning session. In afternoon session urology skill lab training was given to all the delegates. Richard wolf had arranged five types of urology simulators – advanced Mini Perc simulator, prostate biopsy simulator, TURP digital simulator, 70 Watt Urology laser machine, Laparoscopy and URS Simulators. Such type of high-tech simulators are being used for the first time in India. Advanced simulation training, lectures and round table discussions were conducted.

It is the First International Endourology workshop by international German Faculty in India at B. K. L. Walawalkar Rural Medical College and hospital, Dervan, Chiplun, Ratnagiri by knappschaftsklinikum Saar, Germany and Richard Wolf, Germany. Below are the few glimpses of the activity:
